Subsidiary of Continental Can Company, Inc.

**Response to Request for Information Concerning Bayonne Barrel & Drum Superfund Site, 150-154 Raymond Blvd., Newark, N.J.**

This is in response to the Request addressed to Continental Can Company, Inc., 800 Connecticut Ave., Norwalk, Connecticut.

It appears that this Request was addressed to the wrong party. The present Continental Can Company was originally incorporated as Viatch, Inc. in the 1980's and changed its name to Continental Can Company in 1992. It is not a successor in interest in any way to a former corporation with the same name. The only relationship is that Viatch purchased the Continental Can Company name from the old owner, as well as another corporate entity known as Continental Plastic Containers, Inc.

I have been informed that the Request for Information concerns material that came from a facility in Wayne, New Jersey. At no time has the present Continental Can Company ever owned or operated a facility in Wayne, New Jersey.

Based upon the foregoing, it does not appear to be appropriate for the present Continental Can Company, Inc. to respond to the Request for Information. If the E.P.A. disagrees, please communicate with us.
